KCAA JV Boys State Tournament

Our Trinity Titans JV Boys team enters the KCAA JV State Tournament ranked #1 in the Computer Ratings. First up Friday Night are the Bethel Blue Flames, the only team in the tournament that the Titans did not play. If the Titans win tonight, they will get the winner of Cornerstone and Landmark, the #2 and #4 teams respectively. The Titans beat Landmark just last week, but have lost twice to Cornerstone.

The Titans 20 wins this year is the most ever for a Trinity JV Boys team, topping the 19 wins of the 2004 State Champion Team that went 19-1. That year the team's only loss was to Cornerstone.

The Titans received some good news today when Hayden Gregory was cleared to play in the state tournament. Hayden suffered a broken nose in the Varsity game with Garrett. He will need surgery which is scheduled for Tuesday. That will put him out of the Varsity Regional, but he hopes to be back by the Varsity State Tournament.

Our JV Girls failed to make the State Tournament this year. Though they had the #6 Computer Rating, our region also had #1 Lakeside and #3 Blue Grass, and only the top two from each region advance. It seems a bit unfair when two other regions have only 2 teams and do not even need to win a game to get in, but that is the system we have now.
